### Playing With The Big Boys

The Convotherm OES 10.10 is the mother of all ovens. With its unique features and benefits it is the choice of many chefs. The Advanced Closed System allows for low oxygen cooking, and reduced energy consumption, and provides a safe environment for extreme low temperature cooking, retaining minerals and vitamins. The disappearing door opens up kitchen space for loading and unloading, and automatic cleaning means NO manual handling of chemicals. ### Waxing enthusiastic

Kiwi Dave's Leather Balsam will water proof your favourite leather goods, leaving them soft and supple whilst bringing a new lease of life. Using only natural locally sourced ingredients (no silicones, lanolin, animal fats or petroleum), Kiwi Dave's range of wax products rejuvenate, preserve and condition, prolonging the life of your treasured items. A quick application of Kiwi Dave's products leaves your leather goods dry and ready to wear or use in less than a minute, bringing a shine to dull-looking bags and furniture. For more information go to [www.kiwikiwidae.com](http://www.kiwikiwidae.com)

### Sweet taste of Italy

Biscottino are premium, traditional-style handmade Italian biscuits with a modern twist appealing to all generations. With the increasing trend towards gluten free diets, Biscottino is the perfect alternative to the sweets of yesteryear, and offers customers an exciting new selection of biscuits, in a variety of flavours. Perfect for your café, restaurant, corporate functions or seminars, party favours, weddings, home entertainment or just because. This traditional-style biscuit is fast becoming the must-have accessory for any event. For more information go to [www.biscottino.com.au](http://www.biscottino.com.au)

### Pastizzi Sealed with a Kiss

Kiss Kiss Pastizzi offers a gourmet finger food that will electrify your senses with the freshest quality ingredients. Made right here in WA by a family-owned business, Kiss Kiss combines traditional handcrafted Maltese Pastry with 14 contemporary gourmet fillings, using locally sourced produce. With a unique shape and delicious flaky pastry, filled with dynamic savoury flavours such as 'Ravishing Roast Vegetable' or 'Luscious Chicken and Leek', or sweet sensations such as 'Cherry Chocolicious', you'll want to treat yourself every day with Kiss Kiss.
